

## 67 Reasons Why Cats Are Better Than Dogs

by Shepherd, Jack

9 781426 213861

It's an age-old battle: cat vs. dog. Now, National Geographic and BuzzFeed's Jack Shepherd team up to settle the dispute once and for all! Documenting cats' superior abilities in such areas as artistry, athleticism, and intellect, Shepherd provides compelling insight into the fight for pet dominance. Perfectly pairing witty text with hilarious photographs and hard-hitting scientific facts, this brutally honest book culls the best evidence of the supremacy of cats (that the Internet can provide) to establish with definitive proof that individuals of the feline persuasion reign supreme over their canine counterparts.

## Arab of the Future : A Childhood in the Middle East, 1978-1984 - A Gra ...

by Sattouf, Riad

9 781627 793513

In Volume 2, Riad, now settled in his father's hometown of Homs, gets to go to school, where he dedicates himself to becoming a true Syrian in the country of the dictator Hafez Al-Assad. Told simply yet with devastating effect, Riad's story takes in the sweep of politics, religion, and poverty, but is steered by acutely observed small moments: the daily sadism of his schoolteacher, the lure of the black market, with its menu of shame and subsistence, and the obsequiousness of his father in the company of those close to the regime. Darkly funny and piercingly direct, THE ARAB OF THE FUTURE, VOLUME 2 once again reveals the inner workings of a tormented country and a tormented family, delivered through Riad Sattouf's dazzlingly original

## Art of the Possible : An Everyday Guide to Politics

by Keenan, Edward

9 781771 470681

We all know what a politician looks like, right? They're old people who wear suits and make long, boring speeches full of indecipherable words. Not so fast! As The Art of the Possible explains, everyone is a politician, even young people who aren't yet eligible to vote. We all have influence over how politics function. Written in an accessible, conversational voice, this book helps foster independent thought and curiosity about how a government works, or doesn't work. Readers will come away equipped with the knowledge they need to understand current events and elections. Canadian author - Toronto. Ages: 10+

**Becoming Andy Warhol**by **Bertozzi, Nick**

9 781419 718755

Celebrated during his lifetime as much for his personality as for his paintings, Andy Warhol (1928–87) is the most famous and influential of the Pop artists, who developed the notion of 15 minutes of fame, and the idea that an artist could be as illustrious as the work he creates. This graphic novel biography offers insight into the turning point of Warhol's career and the creation of the Thirteen Most Wanted Men mural for the 1964 World's Fair, when Warhol clashed with urban planner Robert Moses, architect Philip Johnson, and Governor Nelson Rockefeller.

**First Flight Around the World : The Adventures of the American Fliers ...**by **Grove, Tim**

A 2016 YALSA Award for Excellence in Nonfiction for Young Adults Finalist In 1924 the U.S. Army sent eight young men on a bold attempt to be the first to circumnavigate the globe by flight. Men from five other countries--Great Britain, France, Portugal, Italy, and Argentina--had the same goal. The race was on! First Flight Around the World documents the exciting journey of four American planes--the Chicago , Boston , New Orleans , and Seattle --and their crews on a race around the world. The trip held many challenges: extreme weather, tricky navigation, unfamiliar cultures, fragile planes, and few airfields. The world fliers risked their lives for the sake of national pride. Based in part on the journal of one of the crew members, First Lieutenant

Birds were the objects of my greatest delight, wrote John James Audubon (1785-1851), founder of modern ornithology and one of the world's greatest bird painters. His masterpiece, *The Birds of America* depicts almost five hundred North American bird species, each image lifelike and life size rendered in vibrant color. Audubon was also an explorer, a woodsman, a hunter, an entertaining and prolific writer, and an energetic self-promoter. Through talent and dogged determination, he rose from backwoods obscurity to international fame. In *This Strange Wilderness*, award-winning author Nancy Plain brings together the amazing story of this American icon's career and the beautiful images that are his legacy. Before Audubon, no one had seen, drawn, or written
