October is Canadian Library Month!

All month long, libraries across Canada are raising awareness of the valuable role libraries play in Canadians' lives. More than just a place to find books, libraries promote cultural awareness, engage in the community, provide educational programs, support freedom of expression and so much more. This year's theme is: A Visit Will Get You Thinking!

All library programs and sessions are free, although some regular library programs require registration. For more information, about programs & services, please call the library, (902) 863-4276 or visit online at www.parl.ns.ca.
