Special Programs

Community Café: Sleeping Children Around the World

Wednesday, January 3rd, at 2 pm

This month, join us for a talk with Connie Beaton and Clarence DeYoung about volunteering in Kenya to provide items such as mosquito nets, school supplies, bedding and clothing.

NFB Film Club: Birth of a Family

Tuesday, January 9th at 2 pm

Three sisters and a brother, adopted as infants into separate families across North America, meet together for the first time in this deeply moving documentary. Removed from their young Dene mother's care as part of Canada's infamous Sixties Scoop, Betty Ann, Esther, Rosalie and Ben were four of the 20,000 Indigenous children taken from their families between 1955 and 1985.

Family Literacy Day

Saturday, January 27th

Join us at the library as we celebrate Family Literacy Day, which is held annually on January 27 to raise awareness of the importance of reading and engaging in other literacy-related activities as a family.

Taking time every day to read or do a learning activity with children is crucial to a child's development. This is also the day the Antigonish County Adult Learning Association (ACALA) awards prizes to the winners of the ACALA Family Literacy Day Writing Contest. Stay tuned for more details!

Art On Display

This month will feature a very different type of art show than usual.

Library staff will bring in work from their own collections to share with the public, drawing from a wide range of media and artists.

Thank you to everyone who contributed to our Gift-a-Book program. Your support put lots of great new books on our shelves!

All library programs and sessions are free, although some regular library programs require registration. For more information, about programs & services, please call the library, (902) 863-4276 or visit online at www.parl.ns.ca.
