

FOR IMMEDIATE RELEASE

B-Creative This Summer with Pictou-Antigonish Community BINGO!

(June 23, 2020): With many programs and activities cancelled for the summer, your local library is stepping up with a fun way to discover your community through books, games, and a variety of activities for all ages.

Social distancing means we can't participate in activities the same way we are used to. To encourage everyone to keep their minds and bodies active this summer the Pictou-Antigonish Regional Library, in partnership with a number of local organizations, has created a community bingo game. Look for the Community BINGO! flyer in your mailbox between now and Canada Day. Complete the activities listed on the Bingo Card and drop it off at your local library or take a photo of your completed card and email it to info@parl.ns.ca. You will be entered to win some great prizes like tote bags, bookish socks, and even a bicycle! All ages and abilities are cheerfully encouraged to participate. Visit our website www.parl.ns.ca for more information about participating in the online version of our summer reading and activity program. If you participate by paper or online, you will still have the same opportunities to win throughout the summer.

We also have two youth organizers working to keep you creative this summer through a variety of online and in-person activities. When possible, the in-person activities will follow social distancing procedures and will take place outside. Make sure you stay tuned to our social media sites, check often at www.parl.ns.ca, or drop by a branch library in the two county area. All libraries and events will adhere to public health guidelines for safety.

Keep a lookout at your mailbox for the Community BINGO! flyer between now and the end of June. If you do not receive a flyer please let us know by dropping in at one of our branch libraries, emailing us at info@parl.ns.ca, or calling us toll-free at 1-866-779-7761.
