

Pictou Public Library & Innovation Centre

Hours of Operation: Tuesday and Thursdays 10:00 am-9:00 pm
Wednesday, Friday and Saturday 10:00 am-5:00 pm
485-5021

This summer at the Pictou Library

Family Campfire Time

July 6th at 6:30pm. Bring your favorite knock, knock jokes, campfire songs and scary stories, s'mores included.

Summer Reading Program for School Age Children

Wednesdays, 10:30am. Join us every week for special games and activities as part of our Summer Reading Program. Please call or drop in to register. Starting June 26th, you can pick up your "Library Bingo Card". For every line completed, you get a ballot. For a "Full Card". You can enter to win a bike.

Lego at the Library

Every afternoon- from 1:00pm-4:00 pm. For children of all ages, this is an opportunity to build something from our giant tote of Lego. Parents are welcome to join their children in the "Construction" zone.

Weekly Canada 150 Theme Activities - Each week we will be celebrating "something" unique to Canada. Activities & crafts will go along with each Canadian theme.

C@P Site -The library also has 5 C@P computers available for public use for an hour a day, longer if necessary. There are also 2 express computers available. A library card or piece of identification is required to use them. There is a C@P intern on hand to assist you or to give free one-on-one training as needed. Cyber Camps/Special Activities will also be planned throughout the summer such as Lego Robotics and 3-D printing

ABC`s For Babies - Thursday mornings -10:30-11:30 – For Moms/Dads and babies from newborn to 18 months. This is a time of interactive fun for parent and child and a great chance for parents to get together.

Toddle Time - Tuesday Mornings – 10:30-11:30 – For children ages 18 months to 3years old, this is a fun time with finger plays, action rhymes and stories.

Special Performance by Gaelic & Acadian Multi-Instrumentalist Mary Beth Carty – August 9th – 10:30-11:30 -Mary Beth Carty is a high-energy one-woman band who has toured all over the world with her captivating, interactive song and dance shows. She regularly visits schools across Nova Scotia, offering workshops, exploring traditional cultures through song, dance, and craft.
