River John CAP Society is looking for new members!

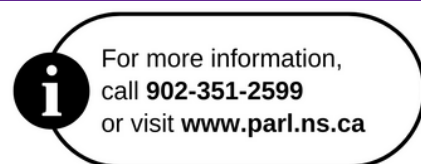

RJ CAP is a group of volunteers interested in how technology can help our community. Some of our projects include:

- www.riverjohn.com
- Village webcams
- Weather station
- Preserving the history and culture of River John in digital format.
- Making new technologies available,
- And youth employment for community technology training.

As a volunteer, you can expect to attend bi-monthly meeting to share possible ideas and projects and take part in email conversations and decisions. **To learn more or ask about the next meeting, email the River John Library at riverjohn@parl.ns.ca.**
