

Writer-in-Residence @ Library!

2015 - 2016

Pictou-Antigonish Regional Library will be hosting our 12th **Writer-in-Residence** this upcoming year, and we invite all interested wordsmiths to submit a cover letter and resume, outlining your expertise, areas of interest, list of publications and professional affiliations, and previous educational workshop experience.

The tenure of the Writer-in-Residence at the public library ranges from a minimum of 10 weeks to a maximum of 22 weeks (depending upon funding resources) beginning in September/October and ending in March/April (with a break over the December holidays). The Writer-in-Residence is expected to assist with special event library programming (such as launching the WiR program, or reading at a Storytime or Book Discussion Club), host writing workshops for the public at several branches of the public library, as well as mentoring local writers in the area. The nature and content of the workshops will depend upon the chosen writer's expertise and experience, as well as requests from the public.

For more information about our Writer-in-Residence program and activities at the library, please visit our website, www.parl.ns.ca.

Please submit all required documentation by **09 January 2015**, to

*Trecia Schell, Community Service Librarian
Pictou-Antigonish Regional Library
P.O. box 276,
New Glasgow NS, B2H 5E3
FAX: (902) 755-6775
e-mail: tschell@nsngp.library.ns.ca*

**In advance, we would like to thank all who submit an application, please note that only those candidates under consideration will be contacted in January 2015. In addition, all library employees and volunteers are required to undergo a Criminal Records check and a Child Abuse Registry check.*
